

## Sierra Reposado

Verkostungsnotiz: Sierra Reposado offers a rich, balanced flavor with smooth hints of vanilla, caramel, and light oak. The agave is still present, complemented by subtle earthy and herbal notes. The finish is warm and slightly sweet, providing a mellow, enjoyable experience that's perfect for sipping or mixing. Weinbereitung: Sierra Reposado is made from blue Weber agave, grown in the highlands of Jalisco, Mexico. After harvesting, the agave is cooked, fermented, and distilled. The tequila is then aged in oak barrels for several months, which imparts a smooth, woody flavor with hints of vanilla and caramel, enhancing its complexity.
